

French 2nd Empire period pentagonal Hall Lantern:
with attractively-shaped clear glass panels in a gilt-bronze frame with leafy foliate
decoration; with shell form finials and five scrolling struts to top corona; with
decorative inner three-way chandelier.
Circa 1850-70, restored and rewired.

1398

Height: 29" - 74cm
Width: 19" - 48cm
