

Pair of elegant bronze and cut-glass Regency Candlesticks:  
in the form of an eagle with outstretched wings perched  
on a square plinth; bearing 'pillar-and-diamond' cut glass candle cups and dressed  
with their complement of 'single-star' prisms and unusual tapered 'icicle' pendants.  
Early 19th Century and restored.

1801

Height: 12½" - 32cm  
Width: 5" - 18cm
