

French six branch gilded and black bronze 'Petit Trianon' Chandelier:
the centre urn profusely decorated with flowers and festoons; with three goat's
heads bearing ornamental flower-bud chain to the top canopy, with further chain
festoons between each branch.

Circa 1880, after a design in the Petit Trianon, Versailles, Paris.

Originally for gas, now restored and prepared for electric wiring.

2957

Height: 33" - 84.0cm

Width: 22" - 56.0cm
