

Pair of tall French silver and cut glass five light Wall Lights: unusually tall, in the form of branches tied with a ribbon; the candles on three tiers, with glass candle pans; dressed with variously shaped cut-glass pendants and flower rosettes.

3268

The glass circa 1880, the metalwork later, silver-plated and prepared for electric wiring.

We have a very similar pair ref.6817 in gilt finish.

Height: 42" - 107.0cm

Width: 16½" - 42.0cm
