

Pair of cut glass swivel-arm Regency Wall Lights: the gilded metal bracket holding a diamond and slice-cut glass S-shaped candle branch, bearing Regency candle-cup and pan; dressed with double row of cut glass prisms and 'icicle' pendants. Originally from a Regency 1820 chandelier, these have been converted to wall lights at a later date.

Height: 7" - 18cm

Width: 4½" - 11.5cm

Projection : 9½" - 24cm
