

Regency cut glass, patinated and gilt bronze Colza Dish Light:
the central urn shaped colza oil reservoir decorated with gilt sea-scroll band; with four arms bearing cut-glass tulip-shaped shades; the diamond cut glass dish with central 'leaf-and-bud' finial; suspended by four chains from foliate clasp hooks to upper leafy boss.

5386

Circa 1820 and restored, with later frosted glass shades.

Height: 25" - 64cm

Width: 17" - 43cm
