

Hexagonal gilt Fringe Light with cut-glass 'Albert' pendants:
the six-sided frame with decorative finials; dressed with graduated chains of
'Victorian' prisms from top canopy, and below, undulating row of spearheaded
'Albert' pendants, named after the Prince Consort, cut with a pattern to the back of
the triangle.

Circa 1880, restored.

Height: 23" - 58cm

Width: 17" - 43cm
